

Swimming at St Bernadette's 2016-2017

What does our Swimming Provision include?

Every child in Y2 and Y5 attends Swimming Lessons, once a week for an Academic Term.

Do we offer extra-curricular opportunities?

Our more able swimmers will be selected to represent the School Swimming Team. As part of the Birmingham Catholic Primary School Sports Partnership we participate in the annual Swimming Gala. In 2016-2017, we had one pupil successfully gain a silver medal.

How many children can swim 25m?

At the end of the 2016-2017 Academic Year approximately 25% of our Y6 children could swim 25m.

How will we try to improve on this figure in 2017-2018?

As part of the Enrichment Programme, we will target children who are unable to swim 25m with extra swimming lessons.
