

St. Bernadette's Catholic Primary School

Key Instant Recall Number Facts

Autumn

Spring

Summer

Nursery

1. Say and begin to recognise the number names in order to 3.
2. Say and begin to recognise the number names in order to 5.
3. Say and begin to recognise the number names in order to 10.

Reception

1. Say and recognise the number names in order to 10.
2. Counting backwards from 5.
3. Number bonds to five.
4. Say and recognise the number names in order to 20.
5. Counting backwards from 10.
6. Number bonds to 10
7. Say the number names in order beyond 20.
8. Counting backwards from 20.
9. Doubles to double 5

Year 1

1. Adding 1
2. Subtracting 1
3. Doubles of numbers to double 5
4. Halves of numbers to 10
5. Adding 2
6. Subtracting 2
7. Partitioning 2
8. Partitioning 3
9. Partitioning 4
10. Partitioning 5
11. Partitioning 6
12. Partitioning 7
13. Partitioning 8
14. Partitioning 9
15. Number bonds to 10 /partitioning 10
16. Adding 10 to a one digit number
17. Adding 0
18. Near doubles to 10 (3 +4 and 4 + 3)

Year 2

1. Doubles to double 10
2. Near doubles to 20 (8+9 so 8+8+1)
3. Halves of numbers to 20
4. Bridging 10 (8+8 so 8 + 2 + 7)
5. Compensating (8 + 10 -1)
6. Partition 11
7. Partition 12
8. Partition 13
9. Partition 14
10. Partition 15
11. Partition 16
12. Partition 17
13. Partition 18
14. Partition 19
15. Addition facts for 20
16. Subtraction facts for 20
17. Use facts to 20 to derive facts to 100 (3 + 7 = 10; 10 - 7 = 3 and 7 = 10 - 3 to calculate 30 + 70 = 100; 100 - 70 = 30 and 70 = 100 - 30)
18. Multiplication facts for the 2 times table
19. Division facts for the 2 times table
20. Multiplication facts for the 5 times table
21. Division facts for the 5 times table
22. Multiplication facts for the 5 times table
23. Division facts for the 5 times table
