

Year 5 Topic Knowledge and Skills Organiser

Spring Term- Greece

History

Knowledge	Skills
To learn about the Ancient Greek civilisation.	To consider/place the Ancient Greek civilisation within a wider framework of world history.
To develop an awareness of the legacy left to us by the Ancient Greeks eg democracy and the Olympic games etc.	To compare and analyse the factors that caused change in the past.
To know the similarities and differences between Athens and Sparta.	To draw comparisons between the Ancient Greek democratic system and our own.

Art

Knowledge	Skills
To explore the work of Clarice Cliff.	To sketch a Greek vase using charcoal.
To develop an appreciation of artwork and artefacts created during this period.	To roll and shape clay in order to create a coil pot (vase).
To develop an awareness of how artists, designers and craft workers, from the Ancient Greek culture, developed, expressed and represented their ideas.	To paint my vase using inspiration from the Greek artefacts that I have explored.

Geography

Knowledge	Skills
To learn about earthquakes, mountains and volcanoes.	To be able to locate Greece on a world map, in an atlas or on a globe.
To know how earthquakes, mountains and volcanoes occur/are formed.	To use a range of maps to find out about a location.
To know why Mount Olympus was important to the Ancient Greeks.	To draw comparisons between Greece and the United Kingdom.

Design Technology

Knowledge	Skills
To explore Ancient Greek architecture.	To research, design and make a 'mock-up' of an Ancient Greek temple.
To know the names of different columns found within Ancient Greek temples.	To use a range of materials in order to make joints.
To know why temples were important to the Ancient Greeks.	To discuss and consider ways in which I can make my structure more stable.
